

An affiliate of Indiana Right to Life™

Bobby Schindler
Terri Schiavo's brother

Greetings!

Lake County Right to Life will hold its annual fundraising banquet on Friday, April 20, 2018, at the Avalon Manor in Merrillville, Indiana, at 6:00 pm.

You probably remember the case of **Terri Schiavo** who was euthanized at her husband's request. Her family, including her brother Bobby, fought valiantly for her life but lost the battle in the courts in 2005. Now Bobby Schindler is president of Life and Hope Network (lifeandhope.com) and travels the country to give witness to loved ones at risk in the event of severe injury, serious illness, incapacity, or advanced age. It is crucial that we know what is happening and do all we can to be pro-active against this dangerous movement. **Lake County Right to Life is excited to welcome Terri Schiavo's brother Bobby Schindler as our guest speaker at this year's banquet. Bobby will speak about the current advancement of euthanasia and physician-assisted suicide that is encroaching on our country.**

Through the unwavering generosity of our supporters, Lake County Right to Life continues to accomplish a host of projects and offers support and education to those in need in our community.

Some of the efforts that YOUR support helped accomplish this last year are as follows:

- Obtained a building that was donated by one very generous supporter. That building sits on the corner of Broad Street and Main Street in Griffith, Indiana. This facility will house both our newest office as well as the Mom's and Tot's Resale Shop. This high end, new/like-new clothing and accessories shop for women and children from birth to age-five will provide needed revenue to help defend life through Lake County Right to Life. The revenue and proceeds needed to remodel this facility have been extreme. We could not have done this without you!
- Worked with Indiana Right to Life affiliates in a coordinated effort to improve pro-life laws and hold abortion facilities accountable to uphold those laws.
- Hosted quarterly prayer meetings at the Lake County Library, opened to all denominations, to pray for the life of those that cannot speak for themselves.
- In conjunction with Porter, LaPorte and Illiana Right to Life groups, Lake County Right to Life participated in the annual Youth Summit to educate our youth on the risks of abortion, euthanasia, stem cell research and other life related issues.
- Participated in local Lake County community events such as 4th of July parades, festivals and more.

For those of you that have helped in the past, **WE THANK YOU!!!** For those that are considering helping us fight the good fight of LIFE, **we thank you!** Please consider supporting and attending this, THE 45TH ANNUAL FUNDRAISING BANQUET. The enclosed Sponsorship Opportunities offer everyone the ability to help save lives. Lake County Right to Life works hard to use your donations wisely. We commit to being the hands and feet of Christ to speak for those that cannot. **PLEASE HELP FUND OUR EFFORTS.**
